BURNING REGULATIONS

TO REPORT A FIRE DIAL 483-2521

The State of New Hampshire requires that written permits be obtained for all open fires at all times when the ground is not snow covered.

Permits may be obtained from the Forest Fire Warden, Mr. Cedric Preston, for grass, brush, campfires, etc. Permits must be obtained on the day burning is to be accomplished.

Burn when there is no wind, on rainy days and damp days, in a safe place and in accordance with the terms of the permit. Burn before 9:00 A.M. and after 5:00 P.M. Keep some buckets of water close by; if wind develops, promptly extinguish the fire. All fires must be extinguished before you depart the scene.

PARKING DURING SNOW STORM

- A. From November 1 to April 1 of each year no person shall park any motor vehicle on any public highway between the hours of 11 p.m. and 8 a.m. or at any other time in such a manner as to impede snow removal operations.
- B. Any vehicle parked in violation of section A hereof may be towed by the road agent, the chief of police or their agents or by independent contractors engaged by the road agent or the chief of police; any vehicles so towed shall be stored and released to the owner only upon payment of the cost of towing and storage by the owner.
- C. Any person violating section A hereof shall be subject to a penalty not to exceed twenty-five dollars for each offense.

DOG ORDINANCE

- A. RESTRAINT: All dogs shall be restrained from running at large within the limits of the town, except when they are on the owner's or keeper's property or being used for hunting or training purposes.
- B. PENALTY: Any person or persons, firm or corporation violating any provisions of this ordinance shall, upon conviction, be fined not more than fifteen dollars (\$15.00) for each offense.

John T. McKinley

John T. McKinley, who inherited the Boston Post Cane for longevity from his Cousin George Spofford in August, 1969, was 100 years old December 6, 1972.

John was born in the house he still lives in on Pingree Hill Road at the junction of Rattlesnake Hill Road. The land has come down through the generations from the first settlers. He went to school on Wilson's Crossing Road in the house now owned by the Maganzinis. When there was no school there, he walked out to the Londonderry Turnpike to the school that is now the little white house owned by Harlan Peabody, across from the big house and above Fox Lane. When he was nine his mother died in a typhoid epidemic and his father was left to bring up two boys and a girl. In those days the farmers hired the local boys and men to work on the land for their room and board plus a small stipend. Entering manhood John McKinley went to work for Sam Ray butchering. He was with him for four years in Auburn and three and a half in Manchester. John is now 30 and Manchester is his residence. In 1906 he married. His wife, Mary, went to Hesser Business College and later took a year at Plymouth. In 1917 the McKinleys returned to Auburn. They fixed up the old homestead and Mrs. McKinley taught school in Auburn and later in Deerfield. John was a school board member and for quite a few years drove the school bus. It was horse drawn at first and then he graduated to a Model T panel truck with benches for the children to sit on.

After his return to Auburn in 1917, except for 10 years starting when he was 70 when he worked at the Manchester Armory, his life was farm oriented. At 93 he was still splitting 4' logs and cutting them up for fire wood; he kept a cow until he was afraid of losing his balance in getting up from the milking stool; he drove his Cub tractor until he was 97 and too lame to climb to the seat. Now at 100 he stays pretty close to his easy chair and reads as much as his eyes will allow him to. He is a wit, forgets very little and can come up with a joke to suit almost any person, the only catch is that he is sodeaf that it is difficult for the average person to turn him on.

SELECTMEN'S COMMENTS

It is with utmost sincerity that we ask all registered voters of the Town to make a special point to attend both the School District meeting on Friday, March 16th, at 8 P.M., and the Annual Town meeting at 2 P.M., March 10th. Both of these meetings will take place at the Roy Seavey Auditorium at the school. It is what happens at these two meetings that will directly affect your tax rate and in turn, what amount you will be spending in taxes next fall.

Waiting until you receive your tax bill to comment or try to take action will be too late. Now is the time to be heard. Therefore, we urge all voters to attend!

In a democracy, you have certain Duties to your fellow voters and attendance is one we hope you will take seriously this year.

The Meeting was called to order at 2 P.M. March 11, 1972, by the Moderator, Rev. Herbert J. Moore lead in prayer. The Moderator read the results of the voting held on Tuesday. Moderator gave voter instruction on how the business meeting would be conducted. He appointed Donald MacDonald, Donald Stritch and Philip Hujar as tellers.

ARTICLE 5 — TO SEE IF THE TOWN WILL VOTE TO INCUR DEBT FOR TEMPORARY LOANS IN ANTICIPATION OF TAXES.

Motion made by Mr. Dutka that the article be accepted as read. Seconded. Passed.

ARTICLE 6 — TO SEE IF THE TOWN WILL VOTE TO ACCEPT SUCH TRUST FUNDS AS MAY HAVE COME IN DURING THE YEAR AND TRUST FUNDS AS HAVE NOT BEEN PREVIOUSLY ACCEPTED.

Motion made by Mrs. MacDonald that article be accepted as read. Seconded. Passed.

ARTICLE 7 — TO SEE IF THE TOWN WILL VOTE TO USE THE INCOME OF THE H. B. BURNHAM FUND FOR SCHOOLS OR LIBRARY.

Motion made by Margaret Griffin that the income of the H. B. Burnham Fund be given to the Library. Seconded. Passed.

ARTICLE 8 — TO SEE IF THE TOWN WILL VOTE TO AUTHORIZE THE SELECTMEN TO ACCEPT, IN THE NAME OF AND IN BEHALF OF THE TOWN, GIFTS FOR THE USE OF THE TOWN.

Motion made by Donald Dollard that the article be adopted. Seconded. Passed.

ARTICLE 9 – TO SEE IF THE TOWN WILL VOTE TO HAVE ANY BUDGETED EXPENDITURES IN EXCESS OF 10% OF THE APPROVED AMOUNT REQUIRE APPROVAL OF THE MAJORITY VOTE AT A PUBLIC MEETING. (BY PETITION)

Motion made by Victor deSchuytner that the article be adopted. Seconded. George Shatford moved that the article be amended to read as follows: To see if the Town will vote to have any budgeted expenditures in excess of 10% of the approved amount when such excess amount is \$500.00 or more require approval of the majority vote at a selectmen meeting with a 14 day public notice prior to said meeting. Seconded. Discussion. Mr. David Lindahl moved that the article be indefinitely postponed. Seconded. Passed.

Motion made by Jack Henson that article be adopted. Seconded. Mr. Starr, Town Counsel, spoke on work done concerning Manchester Water Works. Mr. Riviera moved that the article be withdrawn. Seconded. Passed.

ARTICLE 12 – TO SEE IF THE TOWN WILL VOTE TO BAR ANY PERSON SEEKING ELECTION TO PUBLIC OFFICE FROM WORKING AT THE POLLING PLACE IN ANY OFFICIAL CAPACITY.(BY PETITION)

Motion made by Jacob Shapiro that article be adopted. Seconded. Mr. Staby read the following: "Article 12 if passed cannot have jurisdiction over elections held in this Town, because jurisdiction over elections is a prerogative of the State. Also, elected officials have taken an oath to fulfill the duties for which they were elected. Therefore, if Article 12 passes two wrongful acts will have been committed:

1. Assuming jurisdiction over a function reserved to the State;
2. Forcing the elected officials to break their oath by obeying the provisions of Article 12 if passed.

You are reminded that it is up to the people to dispose of this Article with the responsibility resting squarely with the people."

The foregoing was a statement personally made to me February 17, 1972, by the Secretary of State of New Hampshire.

I request that the foregoing be written into the record.

Motion made by Mr. deSchuytner that Article 12 be indefinitely postponed. Seconded. Passed.

ARTICLE 13 – TO SEE IF THE TOWN WILL VOTE TO AUTHORIZE THE SELECTMEN TO DISPOSE OF ANY AND/OR ALL PROPERTY ACQUIRED BY TAX DEED, BY PUBLIC SALE WITH THE RIGHT TO ACCEPT OR REJECT ALL BIDS.

Motion made by Mr. Lacourse that article be adopted. Seconded. Mr. Riviera moved that the article be amended to read as follows: To see if the Town will vote to authorize the Selectmen to dispose of any and/or all property acquired by tax deed, by public sale after a majority vote at an open public meeting. Notice of said meeting to be posted 14 days in advance. Seconded. Amendment Failed. Article 13 adopted as printed.

ARTICLE 14 – TO SEE IF THE TOWN WILL VOTE TO RAISE AND APPROPRIATE THE SUM OF TWO THOUSAND (\$2,000.00) TO ADD TO A CAPITAL RESERVE FUND TO BE USED FOR THE PURCHASE OF A FIRE TRUCK. (BY REQUEST OF THE FIRE DEPARTMENT) (THIS MONEY IS INCLUDED IN THE BUDGET)

Motion made by Richard Davis that article be adopted as read. Seconded. Passed.

Mr. Trombly moved to increase the budget by \$500.00. Said amount to be allocated to the Police Department to purchase much needed rescue equipment. Seconded. Passed. Budget of \$150,819.61 adopted.

ARTICLE 22 - TO TRANSACT ANY OTHER BUSINESS THAT MAY LEGALLY COME BEFORE THE MEETING.

Andor Staby read the following resolution.

Whereas tragedy, always unexpected, struck our neighbors on the night of February 26, 1972, and whereas our Police responded immediately and alerted State Police and Fish and Game Department and whereas our Police in the meanwhile at the risk of their lives reached unfortunate victims and whereas they continued their efforts, until rescue equipment arrived, now therefore be it resolved that the town in its gratitude expresses its appreciation and be it further resolved that this resolution be written into the record.

Mr. Trombly and Mr. Shatford spoke about articles in the warrant.

Meeting adjourned at 6:30 P.M.

Attest: Mary F. Griffin
Town Clerk

During the year 1972 the Board acted on seventeen subdivisions. A maximum of one hundred and ten new homes can be expected to be constructed within these subdivisions in the next few years. Listed below are the subdividers' names and the anticipated number of homes to be erected.

Bessett — 0	Locke — 1
Crombie — 3	L'Heureux — 11
Coult — 1	MacKay — 0
Davis — 1	Roy — 18
Desmarais — 1	Walsh — 0
Eaton — 1	Wood — 0
Guinesso — 1	Wood — 0
Hudon — 3	
J. Hujar — 68	

During the past year the Board lost one of its most active members, Mr. Andor J. Staby. He is greatly missed by all whom have known him.

In addition to subdivision work the Board has been involved in the updating of the Town's Zoning Ordinances. We believe that the proposed changes that will be voted on at the time of the Town Meeting will assist in the orderly growth of the Town.

Respectfully submitted,

REPORT OF CIVIL DEFENSE 1972

Planning for a disaster began in May of 1972. Under the direction of Ken Field, Assistant Director of Continuing Education in Durham, an active Disaster Program began with twenty-three Auburn residents taking part. A mock disaster was held in August and carried out successfully. Many training sessions were required of the participants in order to put the plan into effect. All participants were awarded certificates for the Civil Defense Emergency Operations Training Program.

The Director Of Civil Preparedness and Deputy Director and the Radio-logical Team attended a day long seminar in Dover to witness a simulation mock accident involving forty persons in a bus-car accident.

Accomplishments for 1972:

1. Surveying St. Peters Church as a shelter center. Accepted as a shelter to accommodate 800 persons.
2. Auburn School declared as a shelter to accommodate 150 persons in the hallways.
3. Introduction of a plan to use the Town Hall as an Emergency Operations Center.

The Blue Phone network of the Police Department has proved very helpful in increasing the availability of Police Officers and the wives of Police Officers are to be commended for their aid in answering the Police phone.

The Police Phone number is 483-2922; the Sheriff's Dept. number is 772-4711; the State Police number is 271-3636, and the State Police Emergency Number is 562-8282.

The police cruiser and three of the officers' cars now have two-way radios in them and this will increase the efficiency of the department. Two new men have been added and will work with the other officers for six months before they go on duty alone.

Police activities increased 9% over last year. The Police Dept. now owns more than \$6,500 in equipment. There is nearly \$3,000 in the Police Cruiser Fund and we do not advocate adding to it this year as the proposed budget for 1973 will be about \$8,250.

REPORT of the FOREST FIRE WARDEN and DISTRICT CHIEF

January, 1973

In New Hampshire, forest fire control is a cooperative State-town program. The Town Forest Fire Warden, appointed by the Director, Division of Resources Development upon recommendation of the Selectmen and the State's District Forest Fire Chief is responsible for fire suppression and other related duties. The State shares equally with the town in the cost of most forest fires, except illegal and careless fires, which are charged to the responsible party. The State further provides fire detection services, prevention programs, fire training for town wardens and crews, and back up equipment for fire suppression.

By authority of the State, the Town Forest Fire Warden controls all outside burning in his town except backyard cooking fires. Any person wishing to kindle a fire when the ground is not covered with snow must obtain a fire permit, free of cost, from the Town Forest Fire Warden. No permits will be issued for fires between 9:00 A.M. and 5:00 P.M. unless it is raining, except for commercial purposes.

Please be careful when using fire, remember it can be an extremely useful tool when under control but once allowed to run wild it can become a disastrous and devastating force. Only you can prevent a forest fire.

THE AUBURN ATHLETIC AND SOCIAL ORGANIZATION

This message is to let the people in the town of Auburn know what the Auburn Athletic and Social Organization is, and what its purposes are.

Our organization was formed in the spring of 1972. It is a nonprofit organization dedicated to bring about both recreational and social activities for all the citizens of Auburn. We feel that at the present rate the town is growing there will be a great need for recreational sites and programs to keep both our youth and elderly citizens active. We hope that with the support of the citizens of Auburn our organization will be successful.

Since our inception last spring we have organized several committees to work in different activities. These were, young boys and girls, teens, and a Community Center for both the young and the elderly. A Park Committee was also formed to look into a parcel of land we could use for a Little League Park, tennis court, picnic area, etc. for the use of Town residents.

For the young boys in town we formed the Auburn Little League last year. There were three teams with forty boys participating. Thanks to a

generous contribution from the Auburn P.T.A. we were able to buy equipment for the teams to start the season. As we soon found out it will cost a considerable amount to keep the boys in uniforms and equipment each season. Therefore we will be seeking sponsors for these teams, hoping that businessmen in the Auburn Area will be willing to help when called upon. The Little League at the present time is raffling off a mini-bike to help earn money to buy equipment. We feel that the Little League will grow bigger and better with your help as time goes on. Thanks to our coaches for the great job they did this past season.

Our teens committee held some dances this past summer. We had a problem generating interest among the teenagers to attend these dances. Even so, some of these dances were fairly successful. We realize that we will have to work hard to come up with a program that will be of interest to the teenagers. I am confident that with their help and yours this can be accomplished. This is an area that needs a lot of work on our part. We will be doing more in this area as we acquire the help to do so.

We have briefly looked into the possibility of a Community Center building. This building would be used for different activities and programs for the citizens of Auburn. We found this to be a vast project that will require more than one organization to set up and run. It will take the efforts of the whole town to bring about a useful Community Center. A special thanks to the Auburn Lions Club for help offered in this area.

Also a great deal of effort was put into seeking a piece of land we could use for a town park. Our first interest in this park was for a Little League Park, with further development of a tennis court, picnic area, another skating area, etc. We had under consideration a piece of land along the Preston Beach area. This is Water Works land. After doing a considerable amount of research on this land we felt it would be ideal for our park site. We approached the Manchester Water Works to either let us have this land on a long term lease or in fee. After considering our offer the Water Works refused our request, because they felt the high ground water level in the area would preclude the development of the area in any way. We are now looking for other pieces of land to take under consideration for this park. We feel that this park is a necessity for the recreational development of the town.

In conclusion, everyone in this organization has worked very hard to obtain what progress we have made to date. There is a lot of work yet to be done, but we are confident that our goals will be obtained in time. Most of us found many of the things we wish to accomplish will take longer than we had anticipated. I would like to see our organization grow as we progress in our endeavors. This can be done with full cooperation from everyone. We would like to invite anyone interested to join our organization, and to help develop the recreational facilities this town so badly needs.

REPORT OF THE SOUTHERN NEW HAMPSHIRE PLANNING COMMISSION

The past year was especially significant for the Southern New Hampshire Planning Commission and its municipal members. A series of important advances were noted which will hopefully change the future complexion of the regional planning program and produce tangible benefits for all the participants.

Metropolitan Affairs

Perhaps the most significant achievement of the Commission during 1972 will later be recognized as the "turning point" of regional planning in this area.

Your planning Commissioners determined that implementation of the various regional programs and recommendations could not be readily achieved by an advisory body. The Commission held a series of Elected Officials meetings involving Commission representatives, Selectmen, Aldermen and the Mayor of the City of Manchester to overcome this handicap.

Commission programs were reviewed; priority issues of mutual concern were established; and preliminary steps taken to hopefully create inter-municipal agreements implementing regional water, sewerage and solid waste management proposals.

These meetings set a precedent in the sense that planning and elected officials from throughout the area are now meeting together in support of one another.

The Commission will continue to encourage this forum for inter-municipal cooperation to improve communications and understanding among elected officials; to set areawide goals for mutual benefit; to provide the guidance necessary for the formulation of policy decisions; and to implement regional planning programs.

Areawide Certification

In December, notification was received from the U. S. Department of Housing and Urban Development that "the Southern New Hampshire Planning Commission has been recertified under the current areawide planning requirements of the Water and Sewer Facilities Grant Program for Areawide Planning Jurisdiction and Organization, and Areawide Comprehensive Planning and has received initial certification for Areawide Water and Sanitary Sewer Facilities Planning and Programming." In short, we have established each member's eligibility to apply for Federal financial aid to develop and/or improve public water and sewerage services — two high-priority concerns within the region.

Commission Staff

During the past year your Board of Commissioners hired two additional staff members bringing to five the number of full-time professionals now available to deal with regional and local planning problems.

Local Planning Assistance

Mr. James Tethers, Assistant Director, meets with the Auburn Planning Board on a regular basis to provide technical assistance with developmental problems and coordinate local planning activities with metropolitan affairs.

During the year, a variety of administrative and technical services were provided for the Auburn Planning Board. Included among these were:

- subdivision site inspections
- subdivision plan review and recommendations
- clarification of state regulations
- update of Planning Enabling Legislation
- preparation of amendments to subdivision regulations and notices of public hearings
- preparation of road construction specifications

Regional Planning

The SNHPC worked to relate activities of the Auburn Planning Board and Board of Selectmen to regional, state and federal agencies. SNHPC programs of regional concern completed during 1972 were:

- Regional housing report
- Regional land use plan
- Update of the metropolitan transportation study
- Establishment of a forum of local elected officials
- Inventory of storm drainage problem areas
- Inventory of public facilities and services
- Assessment of solid waste management practices

Auburn Representatives

Mr. Philip Hujar, Chairman of the Auburn Planning Board, was reappointed by the Board of Selectmen in August to serve a second successive four-year term on SNHPC. He was appointed to the Commission in 1966 and in 1972 was elected Chairman of the Commission.

Selectman Russell Dutka was appointed to serve the unexpired term of Mr. Andor J. Staby (deceased July, 1972). "Andy" was initially appointed to the Commission in 1966 and was a dedicated representative who contributed much to the success of regional planning when the concept of coordinated growth was in its infancy.

Andor J. Staby Memorial Award

In December, the SNHPC established the Andor J. Staby Memorial Award as a tribute to a man who exemplified an unselfish spirit and determination to contribute to the well-being of his fellow man.

The initial recipient of this honor was Mr. Lawrence W. Shirley of Goffstown who served with "Andy" from August 1966 until March 1972. The award will be made annually and the plaque passed on to succeeding recipients.

The Year Ahead

1973 regional planning programs will be initiated to reflect the priorities established by your representatives. The Commission will continue to support local management capabilities by developing back-up data and providing technical services required by local decision makers.

To the citizens of Auburn, I hereby submit my report as Superintendent of Schools.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the citizens of Auburn, I hereby submit my report as Superintendent of Schools.

The New Hampshire State Board of Education, at their meeting of January 17, 1973, voted to approve the following powers and duties of the School Boards, Superintendents and Principals.

I feel that each resident of the School District should have these duties in their possession. Therefore, I am devoting the space allocated for the Superintendent's report to print these powers and duties in their entirety.

School Boards -

1. The school boards shall adopt such policies as are necessary and desirable to control and effectuate the recruitment, employment, evaluation, and dismissal of teachers and other employees and may delegate authority to the superintendent of schools to carry out the provisions of such policies excepting that no teacher shall be employed who has not been nominated by the superintendent of schools and elected by the school board.
2. The school board shall adopt such policies as are necessary and desirable to control and effectuate the purchase of equipment, supplies, or services and may delegate to the superintendent of schools the authority to make commitments in accordance with such policy.
3. The school board shall, through appropriate planning and required action, make suitable provision for the physical accommodation of all students in approved schoolhouses or other suitable facilities; shall provide required transportation of students; and shall provide that all school buildings and other learning environments be maintained in a manner consistent with acceptable standards of health and safety.
4. The school boards shall seasonably prepare a budget of school expenditures and make suitable and timely assignment of the school money to the various needs of the schools. 5. They shall hold meetings for the transaction of business at least once in two months and shall require the attendance of the superintendent or his designee. The board shall cause a written record to be kept of each meeting.

6. School boards shall, in consultation with the Superintendent and in accordance with statutes and regulations of the State Board of Education, determine the educational goals of the district, develop long-range plans and identify measurable and attainable short-term objectives. The school board shall require the implementation of educational programs designed to reflect the goals and objectives and further, the school board shall require the appropriate review of such programs and make public the results of such investigation.
7. The school board shall exercise all powers and perform all duties vested in and imposed upon the school board by law or regulations of the State Board which are not committed to the superintendent or by them expressly delegated to him.

Superintendent -

Preamble - The Superintendent shall serve as the executive head of the public schools. He shall be responsible for planning and administering their affairs subject to statutory requirements, the regulations of the State Board of Education, and the policies of the local districts. The position shall develop and maintain a system of public schools, capably staffed to provide quality education and supportive services. The Superintendent shall provide, develop and implement the procedures to achieve educational objectives within his administrative unit.

In performance of those duties, he shall be directly responsible to the State Board of Education through its Commissioner, and the Board or Boards of the Supervisory Union.

The Superintendent may be supported by one or more assistants such as assistant superintendents, business administrators and teacher consultants. He shall delegate such of his duties as is necessary and desirable for the efficient completion of the requirements of the position.

1. The Superintendent shall nominate all professional central office personnel.
2. The Superintendent shall direct and supervise the work of all employees of the district and shall have all powers necessary to make such direction effective. While the Superintendent has ultimate responsibility, he may delegate powers and duties to other personnel.
3. He shall nominate all certificated staff and appoint other employees in accordance with the laws, regulations of the State Board of Education, and school board policies.
4. He shall be responsible for the selection and purchase of textbooks and all other scholastic apparatus and supplies in accordance with the regulations of the school board and the State

Board and see that the same are suitably distributed to the school, accurately accounted for and economically used.

5. He shall be responsible for developing and recommending to the school board the annual budget for the support of the educational program and for the operation and maintenance of schools in accordance with School Board policy.
6. He shall be responsible for an accounting system and financial reporting procedure in order that all funds will be accounted for in accordance with local school board policy, and local and state law.
7. He shall be responsible for the development of an educational plan for the district or districts and for recommending a program of studies suitable to the needs of the pupils and the community in accordance with local school board policies, state statutes and State Board regulations.
8. The Superintendent may, for cause, remove a teacher or other employee of the District in accordance with state statutes.
9. He shall recommend the dismissal of certified staff to the Board, recognizing its authority to dismiss according to the statutes.
10. He shall provide for temporary vacancies and shall have the authority to secure supplies immediately needed for the operation of the schools.
11. He shall be responsible for maintaining records and making reports as required by the State Board of Education and the local school boards.
12. He shall admit pupils to school attendance in accordance with the laws of the state and the regulations of the State Board and policies of the local board. He shall assign them to such classes and grades as he finds their needs warrant.
13. He shall provide for the alleviation of hazardous conditions of an emergency nature that affect the health and welfare of pupils.
14. He shall be responsible for the evaluation of personnel and programs in accordance with local school board policies.
15. He shall be responsible, after notice, for the implementation of the policies and regulations of the State Board of Education. He is expected to participate in the development and evaluation of said policies and regulations as requested by the Commissioner of Education.

Principals -

1. The school principal shall be responsible for the internal organizational structure of the school, the programs of the school, the governance of the student body, the utilization of technology and the utilization of the plant in accordance with local school

board policy and/or as directed by the superintendent of schools.

2. The school principal shall evaluate and make recommendations to the superintendent concerning candidates for professional and non-professional positions within the school administrative unit in accordance with local school board policy and/or as directed by the superintendent of schools.
3. The school principal shall assign, direct, and evaluate all personnel employed within the school administrative unit in accordance with local school board policy, administrative regulations, and as directed by the superintendent of schools.
4. The school principal shall perform any other duties assigned by the superintendent of schools in accordance with local school board policy, state statutes and regulations of the State Board of Education.

AUBURN VILLAGE SCHOOL – AUBURN, NEW HAMPSHIRE

Annual Report of the Principal – June, 1972.

To the School Board, citizens of Auburn, and the Superintendent of Schools, I hereby submit my annual report for the school year 1971–1972.

Auburn Village School began the academic year with a pupil population of 373, which was fairly evenly distributed among the grades. The total enrollment has remained relatively stable, despite changes in individual registrations, and at the end of the year 372 students were enrolled.

The faculty participated in several days of orientation meetings during the week before Labor Day. Fifteen of the sixteen classroom teachers were new to the building. Throughout the year many staff members have continued their education by taking courses sponsored by the Supervisory Union, and at various colleges.

Federally funded programs under Title I, ESEA, have provided the school with part-time special services. Mrs. Gail Kenney, Speech Therapist, worked in Auburn one day a week all year long. Near the end of January, Mrs. Ruth Marcoplos, Guidance Counselor, joined the staff for one and a half days per week. Students have received much-needed individual attention, on a continuous basis, to their specific problems in these areas.

In March, Miss Mary Aylward, a former teacher here, rejoined the staff as Reading teacher. She has given valuable assistance to both teachers and students, and has worked toward organizing the Language Arts program for individualized instruction.

The school library, under the able direction of Mrs. Elizabeth O'Brien, has continued to play an important role in supplementing the curriculum. Students are learning to do research at an earlier age, and their interests are broadened through the fine selection of books available for independent reading. As new books are purchased, every effort is being made to meet the needs of the pupils and staff.

Mrs. Marion Heald, school nurse, presented many educational films on health and safety, in addition to organizing immunization clinics and attending to the many needs of children which are present from day to day.

During the course of the year, the students have enjoyed many special programs. Some of them were: "Movies of the Month" paid for by the PTA; a lecture by Miss Joyce Holmes, International Farm Youth Exchange representative, who spent six months in Italy; an explanation of the Braille system by Mr. Huckabee, a blind

person who does not let his handicap interfere with a useful life; and even Smokey the Bear made an appearance for the benefit of the primary children during Fire Prevention Week.

Pupils from several grades have participated in special activities. Deidre Cleary, an eighth grade student, won first prize in a state-wide art contest sponsored by the New Hampshire Optometrists Association. Susan Towne, another eighth grader, represented Auburn in the Annual Manchester Union-Leader Spelling Contest. In December, a fine production of the "Christmas Carol", under the direction of Mrs. Ford, was presented to a large audience. Musical selections between acts were organized and prepared by primary children under the leadership of Mrs. Taylor. The annual seventh and eighth grade Science Fair was held in April under the supervision of Mr. Savinelli, and was well attended. Judges were present from the University of New Hampshire. Second and third graders had their own Science Fair on May 31st. This has become an annual event under the direction of Mrs. Taylor.

A new Drug Curriculum, prepared for the Supervisory Union by a study committee during the past year, was implemented at all grade levels. Emphasis in this program begins with developing an understanding of the basic physical and mental needs of each individual, progresses through a study of the systems of the body, and includes a comprehensive study of drugs at the Junior High level. Hopefully, these activities help create an awareness in students to the dangers of experimenting with drugs.

A limited Home Economics program was initiated at no cost to the school district. This was a direct result of a survey taken in the fall among the seventh and eighth grade girls who indicated an interest in and a need for this kind of activity. Needed equipment was secured through donations from parents and through the use of federal funds available and unexpended under Title I. The Public Service Company donated a stove. Mrs. Bernard Ellis, a certified home economics teacher, conducted the classes on a volunteer basis. Mrs. Lynn Garland, Rockingham County Extension Service representative, came to the school regularly on a monthly basis and presented many worthwhile programs. Providing a more diversified curriculum for both the boys and girls of Junior High age will be a continuing need at the school.

Dr. Alice Baumgarner, Art Consultant from the State Department of Education, made several visits to the school, and conducted art lessons with intermediate students. This was in conjunction with an art course being taken by Miss Balon, whose interest in this area was of great help in establishing an inventory of materials

necessary for a good art program.

Class trips were taken by all students to many places of interest. Some of them were to the museums in the Boston Area, including the Science, Fine Arts, Gardner and Wax museums. Sixth graders visited the House of Seven Gables and Peabody Museum in Salem, Mass. Fourth graders went to Strawberry Banke in Portsmouth in conjunction with their Social Studies curriculum, while primary grades visited Friendly Farm in Dublin and other local buildings and institutions. Eighth graders spent a day at the Squam Lakes Science Center in Holderness, N.H. In addition to these, other excursions were made to enrich various parts of the curriculum.

Graduation exercises were held on the evening of June 19th in the Roy Seavey Auditorium. Honors were won by Susan Towne, Valedictorian, and Kim Poltak, Salutatorian. DAR Citizenship Awards were presented to Linda Dionne and Wayne Osgoode by Miss Helen Batchelder. Mr. Curtis Schneider, a former teacher, was the speaker of the evening, and addressed himself to both parents and students. In all, 46 students were graduated.

At this time I would like to thank all the members of the staff for their dedication in providing many extra activities for the students. Sports programs, including basketball, baseball and softball were enjoyed through their efforts. Mr. Morgan, in particular, spent much time in organizing physical education for boys and girls. My appreciation is also extended to Mrs. Mildred Preston, school secretary, and to the cafeteria workers and custodians, whose services are so vital to the school.

I would like to express my thanks to Mr. Ellis, Superintendent of Schools, Mr. Mitchell, Assistant Superintendent, and the members of the School Board for their support and encouragement throughout the year.

Respectfully submitted,
Marion Pounder, Principal

Interpret the health development status and medical findings of the pupil to the pupil, to his parents and to school personnel;

Counsel and guide those persons responsible for pupil's health to appropriate resources;

Recommend to the administrator modifications in the educational programs for pupils when indicated by health and development status; Serve as a health consultant and resource person in the health instruction curriculum;

Use direct health service as a vehicle for health counseling; Serve as a liaison between the parent, school, and community in health matters.

All children (416) received a vision test.

Defects found 25 Received treatment 6

416 tests for hearing were given

Defects found 10 Received treatment 1

Heights and weights of all children were recorded.

Records of the heights and weights of all First graders were taken at the beginning and end of the school year and sent home.

First aid treatments were given to 760 pupils.

27 children participated in a speech clinic.

48 home visits were made.

The purpose of the home visits were: to gain cooperation of parents; discuss problems of the students; obtain needed information about the student and his family; interpret the role of the school in the community and to assist parents to understand and accept alternative programs of education when necessary.

Communicable Diseases Reported:

Chicken Pox	16	Mumps	4	Strep Throat	4
Impetigo	5	Pediculosis	12	Measles	1

Programs were presented on alcoholism, drugs, nutrition, ecology, safety, grooming, dental, and physical fitness.

Two visits were made to the Easter Seal Rehabilitation Center evaluating 3.

A pre-school clinic was held May 10th with 27 children registered for first grade. A Lazy Eye Clinic was conducted at the same time, with the help of the Lions Club and State nurses, and 52 children from Auburn and Candia were tested. One referral was made.

Three Immunization Clinics were held at the school with Dr. Rebecca Cohen as acting physician. State Nurses, Mrs. Caminati and Miss Filleul assisted. Shots were given as follows: Polio 54, DPT 15, TB 25, Measles 5, Rubella and Measles 17, Rubella 16. The P.T.A. sponsored this program.

All children participating in sports are required to have a physical examination and Dr. Russell Norton gave physicals to 54 students in grades 6-8.

Dr. Hermann Sander has been acting school physician.

The P.T.A., Lions Club and others have been a great help in sponsoring clinics and helping fill out forms.

Before a child can enter the first grade, he or she must be 6 years old before September 30th.

The following immunizations are required:

1. Measles Vaccine (live attenuated). Having had measles is acceptable, when verified.
2. Oral trivalent Polio Vaccine (Sabin)
3. Diphtheria, Pertussis, and Tetanus (DPT)
(Adult type DT when over 6 years of age)
4. Rubella Vaccine

Routine Smallpox vaccination is not recommended. Other vaccinations are optional.

5. Tuberculin Test (one year prior to school entrance)
6. Physical

No child will be admitted to school the first day without having his or her immunizations and physical.

School Nurse-Teacher

REPORT OF THE GUIDANCE COUNSELOR

To the Superintendent of Schools and members of the School Board:

When I came to this position in January, 1972, it seemed that the strength and success of a future program in guidance and counseling would depend upon a strong foundation of good public and personal regard for such a program. Therefore, my primary objectives were 1) to establish good public relations with community agencies and any outside resource persons which could cooperate closely with the schools; 2) to cultivate positive, accepting, even enthusiastic responses toward counseling among school personnel, especially teachers, for maximum cooperation and understanding; 3) to translate guidance and counseling for parents that their efforts and mine would be cooperative and supportive; and 4) to translate guidance and counseling for students with the end of encouraging self-referrals.

During these months, I counseled directly 40 students, had 18 parent conferences, and 10 scheduled meetings with teachers. (Most meetings with individual teachers occur spontaneously regarding a child who may benefit from counseling.) Of the parent conferences, five were home visits.

During the summer, counseling sessions were held weekly. Contacts were continued with six children and their families.

Briefly, the role of the counselor in the school is threefold: counseling and consulting with students, teachers, parents and administrators; coordinating school and community resources for the benefit of the child; and working with members of the school staff as well as with a team which provides pupils personnel services, i.e. school nurse, speech therapist, reading specialist, learning disabilities consultant.

I take this opportunity to thank Mr. Ellis, Mrs. Pounder, and members of the School Board for many types of support to me and to this program.

Respectfully submitted,
Terry Marcoplos,
Guidance Counselor

TITLE I SPEECH THERAPY PROGRAM
Supervisory Union No. 10

To the Superintendents of Schools and members of the School Boards:

Federally funded through Title I ESEA, in 1971-72, two full time speech therapists, Mrs. Gail Kenney and Mrs. Judith Reed, and two part time therapists, Mrs. Deborah Gratton and Mrs. Claudia Walter, were employed to serve the towns of Derry, Londonderry, Auburn, Chester, and Windham. Approximately 200 children were seen for therapy. A four week summer speech clinic was held in July and August. This was established to aid children who needed more intensive therapy, and to give entering first grade children a head start.

In the fall all third graders were screened. Referrals from staff and parents were also tested and the need for therapy determined. Identification of speech problems in the area of voice, articulation, hearing loss, auditory perception, stuttering and language development were made.

Orientation meetings for all parents were held in the fall to disseminate information regarding the Speech Therapy Program and the enrollment of their children. Follow up information was periodically sent home.

In the spring, all incoming first graders were tested for speech problems. It is hoped that early identification will aid these children in better adjustment to their first year in school.

Language stimulation activities were conducted in the elementary Special Education Classes one hour per week. The children gained confidence in speaking situations and skill in handling language constructs.

The speech therapists attended several professional meetings during the year. At the University of N.H., a workshop on "Stuttering" and one on "Language" were attended. Another workshop on "Materials for the Handicapped" was conducted by the "Pioneers" in Andover, Mass. Visits to Crotched Mountain and U.N.H. Speech Clinic were informative. The therapist coordinator was invited to lecture to a speech pathology class at the University of N.H.

A Title I Advisory Board for parents involved in the Speech Program was established.

I wish to thank the Superintendent of Schools, his staff, the School Boards, principals, teachers and staffs in all schools for their cooperation and participation in the program. Special thanks go to Kathy Copp, secretary for the Speech Therapy Program, for all her help.

AUBURN SCHOOL DISTRICT

CERTIFICATE OF AUDIT

This is to certify that we have examined and audited the accounts and records of the Auburn School District for the fiscal year ended June 30, 1972.

Our examination was made in accordance with generally accepted auditing standards and accordingly, included such tests of the accounting records and such other auditing procedures as were considered necessary in the circumstances.

In our opinion, the Exhibits included herewith present fairly the financial condition of the School District as of June 30, 1972, together with the results of operations for the fiscal year ended on that date.

Respectfully submitted,

SUMMARY OF FINDINGS AND RECOMMENDATIONS

The School Board
Auburn School District
Auburn, New Hampshire

Gentlemen:

Submitted herewith is the report of the annual examination and audit of the accounts of the Auburn School District for the fiscal year ended June 30, 1972, which was made by this Division in accordance with the vote of the District. Exhibits as hereafter listed are included as part of the report.

SCOPE OF AUDIT

Included in the examination and audit were the accounts and records of the School Board, School District Treasurer, and School Lunch Program.

FINANCIAL STATEMENTS

General Fund:

Comparative Balance Sheets: (Exhibit A-1)

Comparative Balance Sheets showing the financial condition of the general fund as of June 30, 1971 and June 30, 1972, are presented in Exhibit A-1. As indicated therein, the Net Debt of the District decreased by \$67,982.23, from \$395,201.75 to \$327,219.52 during the fiscal year ended June 30, 1972.

Analysis of Change in Financial Condition: (Exhibit A-2)

An analysis of the change in financial condition - General Fund - during the fiscal year is made in Exhibit A-2, with the factors which caused the change indicated therein. These were as follows:

General Fund: (Continued)

Analysis of Change in Financial Condition: (Exhibit A-2)(Cont.)

Decreases in Net Debt:

Net Budget Surplus	\$42,593.81
Bonds Paid During Year	30,000.00

\$72,593.81

Increase in Net Debt:

Surplus Used To Reduce School Tax	4,611.58
-----------------------------------	----------

Net Decrease in Net Debt	\$67,982.23
--------------------------	-------------

Comparative Statements of Appropriations and Expenditures –
Estimated and Actual Revenues: (Exhibits A-3 and A-4)

Comparative statements of general fund appropriations and expenditures, estimated and actual revenues for the fiscal year ended June 30, 1972, are presented in Exhibits A-3 and A-4. As indicated by the Budget Summary (Exhibit A-4), a net unexpended balance of appropriations of \$39,346.42, plus a revenue surplus of \$3,247.39, resulted in a net budget surplus of \$42,593.81.

Capital Projects Fund:

Comparative Balance Sheets: (Exhibit A-5)

Comparative Balance Sheets showing the financial condition of the Capital Projects Fund as of June 30, 1971 and June 30, 1972, are contained in Exhibit A-5.

TREASURER

General Fund:

Summary Statement of Receipts and Expenditures: (Exhibit B-1)

A summary statement of general fund receipts and expenditures for the fiscal year ended June 30, 1972, made up in accordance with the uniform classification of accounts, is included in Exhibit B-1. Proof of the Treasurer's balance as of June 30, 1972, is included in Exhibit B-2.

Capital Projects Fund: (Exhibits B-3 and B-4)

Statements showing the activity in the Building Fund Accounts during the fiscal year are presented in Exhibits B-3 and B-4.

School Lunch Program: (Exhibit C)

A statement of the School Lunch Program Account for the fiscal year is included in Exhibit C.

School Tax Account: (Exhibit D)

Exhibit D presents a statement of the 1971-72 School Tax Account with the Town of Auburn. As indicated therein, the total amount due the School District for the 1971-72 school year was paid by the Town of Auburn as of June 30, 1972.

However, it is noted that there is a balance of \$12,000.00 due the School District from the Town of Auburn on account of the 1969-70 School Tax as of June 30, 1972. This amount is again included as an asset in the general fund Balance Sheet as of June 30, 1972.

Statement of Bonded Indebtedness: (Exhibit E)

A statement of outstanding bonded indebtedness of the School District as of June 30, 1972, showing annual debt service requirements, is contained in Exhibit E.

GENERAL COMMENTS

The current surplus (excess of total assets over current liabilities) increased by \$37,982.23, from \$4,798.25 to \$42,780.48, during the fiscal year ended June 30, 1972, as shown herewith:

	<u>June 30, 1971</u>	<u>June 30, 1972</u>
<u>Total Assets</u>	\$18,728.80	\$51,748.38
<u>Current Liabilities</u>	13,930.55	8,967.90
<u>Current Surplus</u>	<u>\$ 4,798.25</u>	<u>\$42,780.48</u>

Conclusion:

The provisions of Chapter 71, Section 27-a, require that the auditors' summary of findings and recommendations (letter of transmittal) shall be published in the next annual report of the School District. Publication of the Exhibits contained in this audit report is optional at the discretion of the School Board. This letter, however, must be published in its entirety.

We extend our thanks to the officials of the School Board for their assistance during the course of the audit.

Yours very truly,
Frederick E. Laplante
Director

CHAPTER 21

CHAPTER 21.

AN ACT RELATIVE TO THE SALE OF SUBDIVIDED LAND.

Be it Enacted by the Senate and House of Representatives in General Court convened:

21:1 Subdivision of Land. Amend RSA 36:27 (supp) as amended by 1963, 163:3 and 1969, 185:1 by striking out said section and inserting in place thereof the following: **36:27 Penalties for Transferring Lots in Unapproved Subdivisions.** Any owner, or agent of the owner, of any land located within a subdivision in a municipality that has adopted subdivision regulations, who transfers or sells any land before a plat of the said subdivision has been approved by the planning board and recorded or filed in the office of the appropriate register of deeds shall forfeit and pay a penalty of five hundred dollars for each lot or parcel so transferred or sold; and the description by metes and bounds in the instrument of transfer or other document used in the process of selling or transferring shall not exempt the transaction from such penalties. Said municipality may enjoin such transfer or sale and may recover said penalty by civil action. In any such action the prevailing party may recover reasonable court costs and attorneys fees as same may be ordered by the court.

21:2 Effective Date. This act shall take effect sixty days after its passage.

[Approved May 4, 1970.]

[Effective date July 3, 1970.]

The New Hampshire Water Supply and Pollution Control Commission hereby gives notice that Governor Peterson has signed Senate Bill 233 which broadens the jurisdiction of the Commission under Chapter 149-E, Revised Statutes Annotated relating to sewage disposal systems and subdivision of land.

Effective July 1, 1971 all land being subdivided for the purpose of sale, rent, lease, building construction or any other purpose must have prior approval of the Commission.

No building from which waste will be discharged and no waste disposal system can be constructed in the state without prior approval of the plans of the waste disposal system by the Commission.

Previously the law applied only to land located within 1000 feet of any surface water. The amended law now covers the entire state.

Lots in previously laid out subdivisions which are still owned by the developer must be approved by the Commission before they can be sold.

No plans of subdivisions or individual lots need be submitted when municipal sewerage is available, however, plans for extensions of sewerage systems must be submitted by the municipality and approved by the Commission.

To Whom It May Concern:

Misunderstandings have developed regarding the requirements of the Water Supply and Pollution Control Commission in case (a) where the sale or other conveyance of property involves merely an exchange of land among two or more owners which does not increase the number of owners and on which no sewage disposal system is to be constructed; and case (b) where an individual intends to divide his land and there is no intent to undertake any building construction involving sewage disposal.

Please be advised (despite any contrary advice you may have received) that the only requirements are as follows:

Case (a) - No requirement to submit any information to the Commission.

Case (b) - Where no construction is contemplated within two (2) years and the lot size of the subdivided portion is in excess of five (5) acres, only a plan showing how the property is being divided, drawn to scale (lot lines and property boundaries), and information regarding the nature of the soil in the area is required. The required soil data are available from the U. S. Soil Conservation Service which maintains an office in each county.

Where the subdivided portion is less than five (5) acres in size, additional information may be required, and persons should contact the Water Supply and Pollution Control Commission at 105 Loudon Road, Concord, regarding that information.

Very truly yours,
William A. Healy, P.E.
